

Washington Henrique Fernandes de Sousa

Front End Developer

23 years old, Brazilian, Single. Primary email: henriquesousa.dev@gmail.com

Secondary email: dehenriquesousa@gmail.com. Tel: (12) 9 91668819

Vila Tesouro, 12221750 - São José dos Campos, SP - Brasil.

My name is Washington Henrique, but you can just call me Henrique. Pleasure! I've been working as a programmer for over 3 years developing interfaces with JavaScript, React JS, Typescript and other technologies, eventually as a UI Designer. Graduated in Systems Analysis and Development from Fatec São José dos Campos, São Paulo. Current interests and studies in Front-end development with React, React Native, NodeJS and UX/UI Design..

Experience:

Front-end developer and UI Designer, at: Intrabank

From May 2023 - Currently.

Activities: Working mainly as a Front-end developer with React.js, Next.js, Typescript, TailwindCss, Styled-components and other technologies. Eventually with UI performances with Figma.

Front-end developer and UI Designer, Freelancer:

From May 2023 - Currently.

Activities: Acting as Front-end developer and UI Designer with React.js, Next.js, Node.js, Typescript, TailwindCss, Styled-components, Vercel. Netfly, Vite, Figma and other technologies

Front-end developer, at: SoftExpert.

From November 2022 - April 2023.

Activities: Working in the application workspace area with front-end development and maintenance in React JS and JavaScript.

Front-end developer, at: Coderockr.

From November 2022 to December 2022.

Activities: Working on the maintenance of several client applications with ReactJS, JavaScript, CSS, HTML and other stacks.

Front-end developer, at: Ensino.

From April 2021 to November 2022.

Activities: Acting in the development of features, maintenance in the main application and website. Developing interfaces and new features with technologies such as React JS and Typescript in focus, with the help of Next JS, Styled-Components and architecture patterns.

Programming Instructor, at: SuperGeeks Jacareí and São José dos Campos.

From February 2019 to January 2021.

Activities: As a teacher of programming and development with children and adolescents. In addition to support for creating content and digital media.

Designer, Video Editor and Hardware Support, with: Alorean

From January 2020 to January 2021.

Activities: Providing design services, hardware maintenance, digital and graphic media editions for companies and people in the region of São José dos Campos and Jacareí through the Alorean brand.

Young Apprentice, at: Iraci Veiga Educational Institute.

From: 11/20/2016 to 12/20/2017.

Activities: Acting with support in general services as well as in the sector of creation, development and support for IT and digital marketing of the company.
